PROFILE

Certified UX Designer with +3 years of experience in web design and development, knowledge of HTML, CSS, and JavaScript. As a UX Designer I've been using Figma, Adobe XD, Webflow and Miro to create user journey maps, personas, user flow, and affinity diagrams. Furthermore, possess an +8 years background experience in logistics. During previous experience as an Adm. assistant, I successfully implemented risk management strategies that outperformed in substantial cost savings for my prior company, amounting to over +1 million reais (approx. US\$200k) per month.

EMPLOYMENT HISTORY

UI / UX Designer - Web designer freelancer at Upwork, Helsinki

July 2020 — Present

Designing and developing websites to small businesses. Providing services like:
